

Supervised driving log

Parents or guardians are responsible for making certain that their teen has completed no less than 50 hours of supervised driving, with 10 of those hours completed at night. The 50 hours may be completed with a licensed parent or legal guardian, any licensed driver 21 years of age or older designated by the parent or legal guardian, or a teen certified driver education provider. The goal is for your teen to be as prepared as possible for their Level 2 Intermediate License.

A supervised driving log must be completed and presented to your teen's Segment 2 Driver Education instructor to show that at least 30 hours (including 2 hours of nighttime driving) were completed before beginning the course.

The log will need to be shown again to a Third Party Skills Test Examiner showing that at least 50 hours (including 10 hours of nighttime driving) were completed before the teen is allowed to take the Driving Skills Test.

The log that follows in this guide and the free mobile app, RoadReady®, are the preferred formats. Other driving log formats will be accepted. If using the mobile app, RoadReady®, the information may be printed from the app or shown on the mobile device.
